The Holy Land Experience

April 30–May 14, 2022

Would you like to have a life-changing and never-to-be-forgotten experience? If so, it is our joy to invite you to join us on a trip of a lifetime to the Bible Lands where you will find a new dimension in understanding Christian history and the life of our Lord. We will visit places where Jesus walked, lived, taught, performed miracles, was crucified, and raised from the dead. We will take a most memorable boat ride on the Sea of Galilee and immerse ourselves in what the disciples experienced as Jesus walked on the water and calmed the sea. Dr. Fink will give Bible and historical teachings at each place we visit in the Holy Land. Therefore, this trip is designed to provide an in-depth study and perspective from the Scriptures of the events and places of the Bible.

COST OF TRIP – \$3,650.00 (Approx.)

Holy Land Site Trip Fee – \$1,500 Per Person

Items covered by Holy Land Site Trip Fee:

- Transportation in Israel – Deluxe A/C Motorcoach
- All Park & Entrance Passes
- Holy Land Site Tour Guide and Bible Teacher (Todd Mike Fink)
- Wireless Headsets for a Better Listening Tour Experience

Individual Costs – \$2,150 Per Person

In order to keep our trips as affordable as possible, we allow individuals to book their own lodging and airfare. Also, in order to see as many sites as possible, and again, keep costs down, we have folks pack a sack lunch. The hotels will provide breakfast and for dinner, folks can enjoy the culture by eating out at local restaurants. Dinners can also be prepared at most of the hotels as they will have a large, shared kitchen if desired.

Items to be covered by each individual:

The costs below are close estimates. If you want to stay in dorm facilities at the hotels, eat more inexpensively or cook your own meals at the hotels, and get a great deal on airfare, you could do this trip for even less.

- Some Meals in Israel (sack lunch and dinner) \$350 per person (approx.)
- Lodging in Israel (found on itinerary) \$800 per person (private, double occupancy rooms, approx.)
- Airfare \$1,000 per person (approx.)
- Travel from Ben Gurion Airport to Abraham Hotel/Hostel, 21 Levontin Street, Tel Aviv, and from Abraham Hotel/Hostel, 67 Haneviim Street, Davidka Square, Jerusalem to Ben Gurion Airport. A taxi can be taken from the airport to Abraham Hotel, Tel Aviv (\$12.00 per person, four per taxi), and a light-rail train or shuttle can be taken from Jerusalem to the airport (\$7.00 light-rail, \$20.00 shuttle). Due to multiple arrivals and departures from passengers, it is not possible to attend everyone's various time schedules. However, Holy Land Site Ministries is happy to help in any way possible for these arrangements.

THIS IS A PRIVATE, CUSTOM-DESIGNED TRIP

A 15-day trip like this normally is quite expensive (if you can find one). Why can we do it so inexpensively? Because we are eliminating tour companies, travel agencies, tour guides, etc., and are providing these services instead. We are also allowing you to book your own airfare, lodging, and cover some of your meals.

PHYSICAL REQUIREMENTS

This trip is not for the weak and faint of heart! There will be a fair amount of walking, some hiking, times when it could be warm (Dead Sea area), etc. Those considering this trip need to be in pretty good shape and able to withstand some discomfort at times due to heat, walking, hiking, etc. We will be walking approximately 1-2 miles a day.

GROUP SIZE LIMIT

We are limiting the group size of 30 people in order to be efficient and see more places in Israel. Larger teams bring a different dynamic that slow things down and make travel more difficult.

AIR TRAVEL

Each person will be responsible for booking their own air travel to Israel (Ben Gurion Airport). Please make plans to arrive no later than 3:00 pm, so you have plenty of time to attend our mandatory orientation and get-acquainted meeting at 7:00 pm at the community meeting place at our Tel Aviv Abraham Hotel? Due to customs and obtaining visas, please allow 3 hours from airport arrival to hotel arrival. The hotel is about 15-30 minutes from the airport depending on traffic.

TRANSPORTATION IN ISRAEL

We will be transported around in a large, air-conditioned motorcoach while in all areas of Israel except Jerusalem. When in Jerusalem, we will be mainly walking.

LODGING IN ISRAEL

We will be staying at hotels with private rooms and bathrooms during our time in Israel. Many hotels in Israel are also called hostels. These hotels/hostels provide the best of both worlds. They have private rooms and bathrooms but also offer group lodging. Additionally, they also have group kitchens for any meal prep if desired, community gathering areas, washing machines, etc. Our itinerary shows the hotels/hostels where we will stay (a total of three, Tel Aviv, Tiberias, Jerusalem). Please go to our website at HolyLandSite.com, and scroll to the bottom for hotel registration links.

LUGGAGE

You will be allowed one carry-on piece of luggage and one suitcase. Because each person will be responsible to transport their luggage from the motorcoach to the hotels, it is highly recommended to keep your suitcase under 50 pounds. This will also prevent you from an extra charge by airlines for heavy luggage.

MEALS IN ISRAEL

Each person will be responsible for paying for their own lunches and dinners, and possibly, a few breakfasts.

- **Breakfast** – The Abraham hotels/hostels in Tel Aviv and Jerusalem will provide breakfast and a group kitchen for meal preparation if desired. The hotel in Tiberias provides breakfast for 12.00 per person additional cost unless you include it when you book your room.
- **Lunch** – Because eating out is quite expensive in Israel, and eating with a large group can occupy one or more hours of the day, plus, we will be on the go and not always close to a restaurant, each trip participant will prepare themselves a daily sack lunch. Each day at noon we will take a break, eat, and then carry on. Lunch items can be purchased at local grocery stores, and the hotels will have refrigerators in the rooms.
- **Dinner** – On your own. Enjoy the local culture as you eat at local restaurants, etc.

PARK & ENTRANCE PASSES

Holy Land Site Ministries will pay for all park and entrance fees to all sites. You will be responsible to pay for any entrance fees you want to see during your free time.

WHAT WILL OUR VISITS TO EACH HOLY SITE BE LIKE?

Our visits will normally last around two hours. We will begin with a Bible teaching by Dr. Fink to help us understand the historical background, points of interest, Bible events that took place there, and a faith lesson. After understanding the context of the site, we will then do a walking tour to see all the points of interest. Some of the Bible teachings might be filmed for publishing on our HolyLandSite.com website.

DOCUMENTS

A valid U.S. Passport is required. Passports must not expire until 6 months after trip dates in Israel.

TRIP PREPARATION

Please take a look at our website, HolyLandSite.com that has a lot of info about many of the biblical sites we will be visiting, the history of Israel, and other helpful info. Please use it to better prepare yourself. In addition, we will provide helpful info to prepare you to get the most out of your holy land experience as we get closer to trip departure.

DAILY ITINERARY

Please take into consideration there might be slight adjustments to the schedule depending on things out of our control. Additionally, if the team would like some flexibility in seeing sights, we are happy to make adjustments as desired.

MONEY IN ISRAEL

Credit cards and Dollars are readily accepted, Shekels can be drawn from ATM's.

INTERNET IN ISRAEL

All of the hotels we will be staying at will provide free Internet. Phone sim cards can be purchased for around \$39.99 if you want Internet service at all times while in Israel.

DAILY SCHEDULE

We will leave our place of lodging each day at 7:30 am and return around 5:00–5:30 pm. From this time on, you will have free time to eat, relax, and see the local sites and culture. There will be restaurants close-by to our hotels where you can eat by yourself or with others in the group as desired.

AGE LIMIT

The minimum age for trip participants is 12 years old.

REGISTRATION & PAYMENTS DEADLINE **FEBRUARY 9, 2022**

Trip registration deadline is **February 9, 2022**. Tourism is growing quite rapidly in Israel and things need to be done earlier than in previous years. Therefore, booking lodging, bus transportation in Israel, etc. needs to be done no later than 3 months before trip departure to ensure availability. Additionally, airfare and other details are best done earlier rather than later. For these reasons, we have set **February 9, 2022**, as the deadline for trip registration. Thank you for your understanding. For those who register after **February 9, 2022**, will be accepted on a space availability case basis. For more info on registration and confirming your spot, please visit HolyLandSite.com.

WHEN TO BOOK AIRFARE & LODGING

Please **do not book any flights and lodging** until you receive tour trip confirmation by Holy Land Site Ministries that there are enough people in the group to be able to go.

We'll visit the **Southern Stairs**, which was the main entrance to the Temple Mount, a place Christ and His disciples would have often been, and the likely place where Pentecost took place.
